## EXPERIENCE

### Web Developer

**Ismhab Store** *Jun 2020 - Present*

- Developed and maintained responsive, user-friendly websites for clients, ensuring optimal performance and seamless user experience.
- Utilized HTML, CSS, JavaScript, and PHP to implement engaging and interactive web interfaces.
- Managed the store through adding new products and provided daily update of the products. Also managed the sales and customers.
- Collaborated with design teams to translate designs into functional websites, ensuring a cohesive and visually appealing end product.

### Cybersecurity Consultant

**Femtech** *Mar 2022 - Aug 2022*

- Implemented and maintained security measures to protect the organization's IT infrastructure from potential threats and vulnerabilities.
- Conducted vulnerability assessments, penetration testing, and security audits to identify and mitigate security risks.
- Worked on incident response and recovery strategies to minimize the impact of security breaches and ensure business continuity.

### Python Developer

**Interface** *Sep 2019 - Nov 2019*

- Developed and maintained Python-based applications, scripts, and automation tools to streamline processes and enhance efficiency.
- Worked on data analysis and manipulation using Python libraries, providing valuable insights to support decision-making processes.
- Created an Inventory Management System using python GUI.

## EDUCATION

### Web Design Technology

**Interface & Femtech** *Sep 2020 - Sep 2023*

### Python Programming

**Interface** *Jun 2019 - Sep 2021*

### Cybersecurity

**Femtech** *Jul 2022 - Jan 2023*

## SKILLS

Web Development (HTML, CSS,  
JavaScript, PHP, React)  
Cybersecurity (Network Security,  
Vulnerability Assessment, Incident  
Response)

Python Programming  
Database Management (MySQL,  
MongoDB)  
Version Control (Git)

Problem-Solving and Analytical  
Thinking
